Canberra Academy of Languages, January 2023

Program Overview

About the CAL Korean Summer School

The Canberra Academy of Languages will run a Korean summer school in January 2023, for students who wish to prepare for senior secondary Korean language studies. Students will learn to read and write Korean script, practise Korean pronunciation, and learn Korean sentence structures.

The summer school will be open to any interested students, whether they intend ongoing studies in their day school or with CAL. It will take place in the 2nd to 4th weeks of January, with 2 hours online plus 3 hours of homework each week for a total of 15 programmed hours. As an online program, it will not be required that participating students are in Canberra at the time. The cost will be \$250 per student.
