

Google Meet setup and operation

Requirements for using Google Meet

<https://support.google.com/meet/answer/7317473?hl=en>

As advised in this article, to join a video meeting, you can use either the Meet mobile app or a supported web browser. You do not need a G Suite account. Follow the link for more information on:

- Google Meet access requirements
- Video meeting requirements

Google Meet - Set Up and Join - YouTube

<https://www.youtube.com/watch?v=fZ0bHbiBF1E>

6 April 2017 | Jason Schmidt | “In this video, I’m going to show you how to use Google’s new videoconferencing solution for enterprise and education users, Google Meet. This product replaces Google Hangouts and is meant to make your video conferences easier to set up and use.”

Set up Meet for distance learning - G Suite Admin Help

<https://support.google.com/a/answer/9784550?hl=en>

G Suite Admin Help | Through September 30, 2020, educators and IT administrators preparing for potential school closures can access Google Meet's premium video conferencing features such as larger meetings (up to 250 participants per call), live streaming, and meeting recording. For more information, go to the Google for Education blog post.
